SFY = State Fiscal Year, which is July 1 - June 30.

Demographic Indicators - Source: U.S. Census Bureau (census.gov) & the Missouri Census Data Center (census.missouri.edu)

NOTE: Population estimates are for July 1. These are "bridged race" categories meaning there is no separating Asian from Native Hawaiian or other Pacific Islanders, and there is no "Other" race category -- these have all been allocated to one of the other four categories (in a process called "bridging").

Health Indicators - Source: SD Department of Health- <http://doh.sd.gov/>

NOTE: A dash [-] indicates there were no events. An asterisk [*] indicates there were less than three events and no rate/percent was calculated. The South Dakota Department of Health policy prohibits publishing vital events in cells with less than three events at the county level.

CI ± = Confidence interval (CI) is used to determine the actual variance of a percentage 95 percent of the time.
